The screenshot shows the Steam website's gift card redemption page. At the top, the Steam logo is on the left, followed by 'STORE' and 'COMMUNITY' buttons. To the right are 'CHAT' and 'SUPPORT' buttons, and a green 'Install Steam' button with a '1' notification. A search bar with a magnifying glass icon is on the far right. Below the header, a blue navigation bar includes 'Your Store', 'New & Noteworthy', 'Categories', 'Points Shop', 'News', and 'Labs'. A 'WISHLIST' button is on the right of the bar. The main content area has a dark blue header with the text 'REDEEM A STEAM GIFT CARD OR WALLET CODE'. Below this, a red box highlights a central input field labeled 'Steam Wallet Code' and a 'Continue' button. A note below the input field states: 'Note: If the gift card you attempt to redeem is not in your currency, it will be automatically converted if redeemable in your region. Not all gift card currencies can be redeemed in all regions.' To the right of this box is a 'Your Steam Account' sidebar with 'Wallet Balance' and a 'See my account details' button. At the bottom right, there's a large image of several Steam gift cards of different面额 (e.g., \$20, €100, \$50) with various game keys overlaid on them.

\*\*\*Steam wallet code contains 15 characters

The screenshot shows the Steam website's 'REDEEM A STEAM GIFT CARD OR WALLET CODE' page. A yellow error box is displayed, containing the following text:

There was an error redeeming the entered code.

- The code may be invalid. Please carefully verify the characters as you re-enter the code and double check to see if you've mistyped your key. I, l, and 1 can look alike, as can Y and Y, and O and 0.
- The code may not yet have been activated. It may take several hours after time of purchase before activation is completed by your retailer, please wait and try redeeming the code again in a little while.
- If the currency of the code you are attempting to redeem is different than the region in which you are located, you may not be able to redeem this gift card to your account. If this is the case please return this code to the retailer where it was purchased.
- If the problem persists, please contact [Steam Support](#) for further assistance.

Below the error message, there is a form to 'ENTER YOUR STEAM WALLET CODE TO ADD FUNDS TO YOUR STEAM WALLET'. The code 'AAAAA-BBBBBB-CCCCC' is entered into the 'Steam Wallet Code' field. A note below the field states: 'Note: If the gift card you attempt to redeem is not in your currency, it will be automatically converted if redeemable in your region. Not all gift card currencies can be redeemed in all regions.' At the bottom, there is a section about Steam Gift Cards and Wallet Codes, and a small image of a gift card.

FAQ

# FAQs

## How do I know where I can get the card pack?

The card pack can be collected at MSI offline events in your country. Event dates differ by country. Official announcements will be shared by each country when available.

## How to know if I have successfully participated in the activity and qualified for the lucky draw?

To successfully participate and qualify for the lucky draw:

1. Register all 7 card serial numbers correctly to your MSI Member account.
2. Share the MSI campaign post to Instagram or Facebook Stories and tag @MSIGaming.
3. Take a screenshot 23 hours after posting the Story.

Only participants who complete all three steps will qualify for the lucky draw.

## When will the lucky draw be announced?

MSI will conduct 4 random draws from the pool of eligible participants on **April 15, July 15, October 15, and December 15, 2026**. Each draw will select 5 winners, for a total of 20 winners across all draws. The selected winners will be announced on the event landing page. Winners will also be notified via the email address provided or through social media.

## If I win the lucky draw, how do I claim the prize?

Winners will be notified via the email address provided or through social media. To claim the prize, winners must provide proof of their Instagram or Facebook Story. Winners must respond to MSI's notification within 7 calendar days.

## My code does not work!

Please make sure to enter the code without additional space characters

Each line represents one code. If you receive more than one code, please enter each code on a separate line for redemption.
