Error Message

Keys look like the following: AAAAA-BBBBBB-CCCCC

***Steam wallet code contains 15 characters

The screenshot shows the Steam website's 'REDEEM A STEAM GIFT CARD OR WALLET CODE' page. An orange error box is displayed, indicating a problem with the entered code. Below the error box, there is a form to enter the Steam Wallet Code, which currently shows 'AAAAA-BBBBBB-CCCCC'. A 'Continue' button is next to the input field. A note below the form states: 'Note: If the gift card you attempt to redeem is not in your currency, it will be automatically converted if redeemable in your region. Not all gift card currencies can be redeemed in all regions.' At the bottom, there is a section titled 'Steam Gift Cards and Wallet Codes are an easy way to put money into your own Steam Wallet or give the perfect gift of games to your friend or family member.' followed by a paragraph explaining that these codes can be redeemed for games, software, and other items on Steam. A small image of various Steam gift cards is shown at the bottom right.

REDEEM A STEAM GIFT CARD OR WALLET CODE

There was an error redeeming the entered code.

- The code may be invalid. Please carefully verify the characters as you re-enter the code and double check to see if you've mistyped your key. (I, L, and 1 can look alike, as can V and Y, and O and 0.
- The code may not yet have been activated. It may take several hours after time of purchase before activation is completed by your retailer, please wait and try redeeming the code again in a little while.
- If the currency of the code you are attempting to redeem is different than the region in which you are located, you may not be able to redeem this gift card to your account. If this is the case please return this code to the retailer where it was purchased.
- If the problem persists, please contact [Steam Support](#) for further assistance.

FAQ

FAQs

How do I know where I can get the card pack?

The card pack can be collected at MSI offline events in your country. Event dates differ by country. Official announcements will be shared by each country when available.

How to know if I have successfully participated in the activity and qualified for the lucky draw?

To successfully participate and qualify for the lucky draw:

1. Register all 7 card serial numbers correctly to your MSI Member account.
2. Share the MSI campaign post to Instagram or Facebook Stories and tag @MSIGaming.
3. Take a screenshot 23 hours after posting the Story, and submit the screenshot via the form on the landing page.

Only participants who complete all three steps will qualify for the lucky draw.

When will the lucky draw be announced?

MSI will conduct 4 random draws from the pool of eligible participants on [April 15](#), [July 15](#), [October 15](#), and [December 15](#), 2026. Each draw will select 5 winners, for a total of 20 winners across all draws. The selected winners will be announced on the event landing page. Winners will also be notified via the email address provided or through social media.

If I win the lucky draw, how do I claim the prize?

Winners will be notified via the email address provided or through social media. Winners must respond to MSI's notification within 7 calendar days.

My code does not work!

Please make sure to enter the code without additional space characters

Each line represents one code. If you receive more than one code, please enter each code on a separate line for redemption.
